Informed Consent for the Dental Treatment

Patient Name: _____
Date: _____

Statement of Understanding & Consent

I, _____, acknowledge that my clinician, **Mr./ Ms.** _____, has thoroughly explained to me in _____ **(patient's vernacular language, e.g.Tagalog,Iloko, Ibaloi)**the following:

1. **Clinical finding/s**

_____
_____
_____
_____

2. **Diagnosis of the clinical finding/s:**

_____
_____
_____
_____

3. **Recommended Treatment Plan/s:** The proposed procedures, benefits, risks, and alternatives have been discussed with me. This includes:
4. **Risks & Complications:** I understand that while dental procedures are generally safe, possible risks may include (but are not limited to):
    - Pain, swelling, or bleeding
    - Infection or delayed healing
    - Temporary or permanent nerve sensitivity
    - Need for additional treatment if complications arise
5. **Alternative Treatments:** Other options (if any) were explained to me, including no treatment, and their consequences.
6. **Right to Ask Questions:** I was given the opportunity to ask questions, and all my concerns were addressed to my satisfaction.
7. **Voluntary Consent:** I consent to the proposed treatment plan and authorize my dentist to perform the necessary procedures. I understand that I may withdraw consent at any time.

Patient's Declaration

- **I confirm that all explanations were given in a language I fully understand**
- **I consent to the treatment plan as described.**
- **I acknowledge that no guarantees have been made about the success of the treatment.**

AUTHORIZATION FOR SURGICAL TREATMENT
(Pahintulot na Sumailalim sa Operasyon)

Date: _____

I, the undersigned hereby authorized _____and/or whoever he/she may designate to perform or participate in the following operation procedure, and such as additional operation or procedure as are considered therapeutically necessary on the basis of findings during the course of said operation. Any issues or parts surgically removed may be disposed of in accordance with customary practice.

I also consent to the administration of such anesthetics as are necessary.

I hereby certify that I have read fully understand the above Authorization for Surgical Treatment. I also understand the reason why the above-named surgery is considered necessary, its advantage and possible complication if any, as well as positive alternative modes of treatment, which were explained to me. I also certify that no guarantee or assurance has been made as to the results that may be obtained.
